Women Happily Aging Together

Led by: Jonnie Owens • Deb Jahnke • Christine Meek

During this season of Lenten reflection, women will gather to explore the particular challenges and gifts of aging, finding strength, wisdom, and inspiration from one another. Following our initial gathering, we will enjoy a series of optional outings to cultural and community institutions—having fun, building relationships, and stretching ourselves beyond our usual routines.

Age Group: Women “of a certain age”

Participation: Attend any or all outings

Note: Times and locations will vary; details shared in advance.

First Gathering

Sunday, February 22 • 10:45 a.m. • Social Hall
